Summer Competition 2012

Once again the Summer Competition will use the Handicap Chart so that there will be longer matches for most players and it also means that the score at the start of each game is based on the proportion of points being fair in relation to the handicap of each player. The stronger player will always start on 0 and have to gain 25 points to win the set while the weaker player starts with a lead based on their handicap. Each player should have their own handicap chart so just make sure before every game that you and your opponent read it carefully to make sure you both know the score at the start of the game. Be particularly careful to make sure you work out the correct score at the start of each Doubles match.

Each team should take a copy of the 2012 Summer Competition Rules and every player should read them through carefully to understand what is happening in the competition.

Each evening there should be a Summer Competition committee member playing so if you have any questions , worries or problems please talk to them or ring me on 604980.

On Mondays Richard Hazelton is playing.

On Tuesday Danny Lansdown and myself Rob Pugh are playing

On Wednesday Sheena Stevens is playing.

On Thursdays Dave Stevens is playing.

We had 30 teams enter so on Mondays and Tuesdays there are 7 teams in each division with 8 teams in the Wednesday and Thursday divisions. Each team plays each other once in each division this season due to the increased number of teams entering.

The last summer competition matches should be played in the week commencing Monday June 11 then there will be a one week gap where any postponed matches could be played before the Quarter Finals begin.

Quarter Finals Team Captains to arrange the evening of the match Week Commencing Mon June 25]

Match 1 Winner of Monday Division v Runner Up of Thursday Division.

Match 2 Winner of Thursday Division v Runner Up of Monday Division.

Match 3 Winner of Tuesday Division v Runner Up of Wednesday Division.

Match 4 Winner of Wednesday Division v Runner Up of Tuesday Division.

Semi Finals Team Captains to arrange the evening of the match Week Commencing Mon July 2]

Match A Winner of QF Match 1 v Winner of QF Match 3

Match B Winner of QF Match 2 v Winner of QF Match 4

Final Week Commencing Mon July 9 to be arranged by the Summer Competition Committee after consultation with both teams.

Summer Competition Rules 2012

1. Each team to consist of 2 players. Each player plays 2 singles and one doubles match. [A third player can be used for the doubles.]
2. Each match is best of 3 sets.
3. Each set won is worth one league point.
4. Each player has a handicap allocated by the organising committee. This handicap can be changed during the Summer League season at the discretion of the organising committee. All handicaps will be reviewed after the first 3 or 4 matches of the season.
5. Each set goes up to 25 points.
6. Scores at the start of each game are to be worked out by using the Handicap Chart provided.
7. Each player has 5 serves in a row.
8. If a set is level at 24 points each the next point wins. You do not have to get 2 points in front to win the set.
9. In the doubles the handicap is decided by adding the 2 players handicap together and then dividing it in half e. g. if player A has a handicap of minus 2 and his partner player B has a handicap of plus 8 [minus 2 plus 8 = 6 divided by 2 = 3 as the pairs handicap. 3 is the mid point between minus 2 and plus 8 e.g. -2 -1 0 1 2 3 4 5 6 7 8 so 3 is the mid point and the pairs handicap]. Or if player A has a handicap of minus 2 and partner player B has a handicap of plus 13 [minus 2 plus 13 = 11 divide by 2 =5 and a half which is rounded up not down to 6 as the pairs handicap]. Remember half numbers must go up to work out the handicap. Then as with all Singles games once you have the pairs handicap use the Handicap chart to work out the score at the start of each doubles match.
10. Please fill in all result cards clearly and accurately and leave them in the box at the end of the game or give them to one of the organising committee if they are present that evening.
11. Make sure both teams share as equally as possible the cost of lighting. Arrange this before the start of the match e.g. take it in turns to put a disc in or home team for each of the 2 games against the same opponents puts discs in.
12. 8 teams will go through to the Quarter Finals. This will be the top 2 teams from each night's league if, like last year, we have 4 leagues on Mondays, Tuesdays, Wednesdays and Thursdays. If we only have 3 leagues due to fewer teams entering then the top 2 from each night's league plus the best 2 third place teams will go through to the Quarter Finals. This will be finalised when we know exactly how many teams have entered.
13. If at the end of the league matches 2 teams finish level on the same points for a Quarter Final place e.g. there are 2 teams in the division in level second place then the higher position will be given to the team with most points in the respective games played between the two teams. If that does not separate them then there will be a playoff game between them.
14. Every effort must be made to play games on the scheduled evening. In an emergency a team may 'borrow' a player from another team and that player uses their own handicap when playing for a different team. No player may play more than twice for another team. Any 'borrowed' player found to have played more than twice for another team will lose any points they might have earned for the team that borrowed them after the permitted first two games.

15. A game can only be rearranged on another evening with the agreement of both captains and the Summer League Committee who must be informed as soon as possible of any rearrangements.
16. If a team fails to turn up for a scheduled match without notifying their opponents they concede that game 10-0 unless the organising committee decide otherwise. An unexpected emergency stopping a team playing for example could lead the committee to decide the game should be played later but this would only happen in extreme cases.
17. Five pound entry fees must be paid by the end of May 2012 to any of the Summer League Committee members. Teams who have not paid by the stated date run the risk of being deducted points as a first sanction and then excluded from the League if payment is still not made.
18. Matches should start promptly at 7. 30 pm.
19. Discs for the lights can be collected from the same ITTA members as in the Winter League and Captains should be responsible for having the required tokens. In addition Summer League Committee members should also have discs to sell but individual Team Captains must be responsible for having their own discs available.

As always play competitively but please play sportingly and respect your opponents in the game you are playing and show proper consideration for others playing on different tables so that everybody can enjoy the Summer League 2012.

Any problems, questions or observations get in touch with any of the committee who for 2012 are:
