## Summer Competition Rules 2013

1. Each team to consist of 2 players. Each player plays 2 singles and one doubles match. [ A third player can be used for the doubles.]
2. Each match is best of 3 sets.
3. Each set won is worth one league point.
4. Each player has a handicap allocated by the organising committee. This handicap can be changed during the Summer League season at the discretion of the organising committee. All handicaps will be reviewed after the first 3 or 4 matches of the season.
5. Each set goes up to 25 points.
6. Scores at the start of each game are to be worked out by using the Handicap Chart provided.
7. Each player has 5 serves in a row.
8. If a set is level at 24 points each the next point wins. You do not have to get 2 points in front to win the set.
9. In the doubles the handicap is decided by adding the 2 players handicap together and then dividing it in half e. g. if player A has a handicap of minus 2 and his partner player B has a handicap of plus 8 [ minus 2 plus 8 = 6 divided by 2 = 3 as the pairs handicap. 3 is the mid point between minus 2 and plus 8 e.g. -2 -1 0 1 2 3 4 5 6 7 8 so 3 is the mid point and the pairs handicap]. Or if player A has a handicap of minus 2 and partner player B has a handicap of plus 13 [ minus 2 plus 13 = 11 divide by 2 =5 and a half which is rounded up not down to 6 as the pairs handicap ]. Remember half numbers must go up to work out the handicap. Then as with all Singles games once you have the pairs handicap use the Handicap chart to work out the score at the start of each doubles match.
10. Please fill in all result cards clearly and accurately and leave them in the box at the end of the game or give them to one of the organising committee if they are present that evening.
11. Make sure both teams share as equally as possible the cost of lighting. Arrange this before the start of the match e.g. take it in turns to put a disc in or home team for each of the 2 games against the same opponents puts discs in.
12. 8 teams will go through to the Quarter Finals. This will be the top 2 teams from each night's league if, like last year, we have 4 leagues on Mondays, Tuesdays, Wednesdays and Thursdays. If we only have 3 leagues due to fewer teams entering then the top 2 from each night's league plus the best 2 third place teams will go through to the Quarter Finals. This will be finalised when we know exactly how many teams have entered.
13. If at the end of the league matches 2 teams finish level on the same points for a Quarter Final place e.g. there are 2 teams in the division in level second place then the higher position will be given to the team with most points in the respective games played between the two teams. If that does not separate them then there will be a playoff game between them.
14. Every effort must be made to play games on the scheduled evening. In an emergency a team may 'borrow' a player from another team and that player uses their own handicap when playing for a different team. No player may play more than twice for another team. Any 'borrowed' player found to have played more than twice for another team will lose any points they might have earned for the team that borrowed them after the permitted first two games.

15. A game can only be rearranged on another evening with the agreement of both captains and the Summer League Committee who must be informed as soon as possible of any rearrangements.
16. If a team fails to turn up for a scheduled match without notifying their opponents they concede that game 10-0 unless the organising committee decide otherwise. An unexpected emergency stopping a team playing for example could lead the committee to decide the game should be played later but this would only happen in extreme cases.
17. Five pound entry fees must be paid by the end of May 2012 to any of the Summer League Committee members. Teams who have not paid by the stated date run the risk of being deducted points as a first sanction and then excluded from the League if payment is still not made.
18. Matches should start promptly at 7. 30 pm.
19. Discs for the lights can be collected from the same ITTA members as in the Winter League and Captains should be responsible for having the required tokens. In addition Summer League Committee members should also have discs to sell but individual Team Captains must be responsible for having their own discs available.

### Entry Form

The competition this year is again going to be organised by a small committee made up of Rob Pugh [604980], Dave, Sheena and Rebecca Stevens [221649], Danny Lansdown [290255] and Richard Hazelton [832803] so any concerns, problems, questions, offers of help, etc - get in touch with any of us.
